Education

- **Smt . Jyotiben Manilal Chaudhari Institute of Computer Application**
Bachelor of Computer Application Graduate With 7.75 SGPA
- **HSC From N.V Patel Vidhya Mandir School From 76.67 %**

Internship Experience

Full Stack Development Intern - LTTRBX Technolabs [2024-2025]

Worked on building dynamic web site Using HTML , CSS , JavaScript , JQuery , PHP , Ajax and JSON Gained Hands-on experience in both frontend and backend development.

Projects

- EstateMall – Multi – Vendor Property Listing Website with Subscription Plans [HTML , CSS , JavaScript , JQuery , PHP , Ajax , Json]**
 - I have created this website for vendors and users. If a vendor wants to list their property for rent or sale, they can do so on this website. Similarly, if a user is looking to rent or buy a property, they can visit this website, browse the available listings, and directly contact the vendor.
- Wedding Venue [HTML , CSS , JavaScript , php]**
 - I have created this site for users to visit the property site and search the property .
 - Using HTML , CSS and Javascript.
- Health – Reminder - System [Node.js , Express.js , EJS , MongoDB]**
 - A web-based system designed to help users (especially children and their parents) manage routine health activities like medication, meals, sleep, and doctor visits.
 - Built a full-stack Health Reminder System using Node.js and MongoDB to schedule alarms for medication, meals, sleep, and appointments with shared user access and PWA support.

Technical Skills

- **Programming Languages :** C , C++ , Java , PHP.
- **Web Technologies :** HTML , CSS , JavaScript , Bootstrap , Node.js ,Express.js , MongoDB, Ajax.
- **Framework & Libraries :** React , EJS.
